Public Art New York

JEAN PARKER PHIFER

PHOTOGRAPHY BY FRANCIS DZIKOWSKI

A tour of the best permanent public art in all five boroughs of New York City.

A visually stunning guide of the best public art of New York City, from outdoor sculpture in public plazas to murals and works of art in lobbies accessible to the public, to outstanding landscapes, and even a few examples of artistic sidewalks and creative lighting.

Public Art New York focuses on how exemplary works of public art enrich urban public space. Organized by neighborhood, it covers Lower Manhattan, Soho to Lower Midtown, Midtown Manhattan, the Upper West Side, Central Park, the Upper East Side, Upper Manhattan, The Bronx, Queens, Brooklyn, and Staten Island. Illustrated with Francis Dzikowski's striking photos and colorful maps, it makes a perfect walking guide. In the words of MAS President Kent Barwick, this book is "an invitation to hit the streets."

Architect **Jean Parker Phifer** specializes in planning, renovation and sustainable design projects for cultural institutions and has designed or restored over fifty distinguished buildings, public spaces, and landscapes, primarily in New York. She was president of the Art Commission of the City of New York from 1998 to 2003. Ms. Phifer is a Fellow of the American Institute of Architects and teaches Environmental Design at New York University.

Francis Dzikowski is an architectural photographer based in New York City.
